

# DOPS Annual Conference 2016

November 24-25  
Conference | Exhibition

Two days to get updated on the latest research and products within optics and photonics held in Lyngby, Denmark. All within the field are invited for this unique opportunity to meet old and new contacts and strengthen local relations.

## Invited speakers

**Michael Linden-Vørnle**, DTU Space  
*Danish space missions and instrumentation*

**Jesper Nørregård**, Pantinspect A/S  
*Optical inspection of pantographs*

**Henning Friis Poulsen**, DTU Fysik  
*MAX IV: Worlds best x-ray microscope*

**Morten Madsen**, University of Southern Denmark  
*Organic solar cells*

**Paul Michael Petersen**, DTU Fotonik  
*Medical applications of UV and visible solid state lighting*

**Peter Lodahl**, Copenhagen University, NBI  
*Quantum cryptography*

**John Leif Jørgensen**, DTU Space  
*Optical navigation in space*

**Lars Lindvold**, DTU Nutech  
*Industrial NIL fabrication of optical components*

**Martijn Heck**, Aarhus University  
*Photonic integrated circuits: a new eco-system, a new paradigm*

**Volodymyr Zenin**, University of Southern Denmark  
*Near-field investigation of nanophotonic structures*

**Michael Linde Jakobsen**, DTU Fotonik  
*3D imaging with a liquid lens*

## Program

### Thursday

Registration | Technical sessions | Exhibitor session | Poster session | Conference dinner | Evening talk

### Friday

Registration | Technical sessions | Exhibition | Tour of new building and laboratory facilities at DTU Fotonik | DOPS General Assembly

*A detailed program will be available at [www.dops.dk/conference/annual2016.htm](http://www.dops.dk/conference/annual2016.htm) After submission deadline*

**Submit an abstract:** All are invited to submit an abstract for a poster or an oral contribution. Send your abstract to Ole Bjarlin Jensen, chairman of the Scientific Committee, at [ojen@fotonik.dtu.dk](mailto:ojen@fotonik.dtu.dk). The deadline is November 11th.

**Show off your products at the exhibition:** Exhibitors can contact our company contact Finn Mengel on [fml@mengelengineering.dk](mailto:fml@mengelengineering.dk). Find more details at [www.dops.dk/conference/annual2016.htm](http://www.dops.dk/conference/annual2016.htm)

Venue

Oticonsalen, Technical University of Denmark  
Anker Engelds vej 1  
DK-2800 Kgs. Lyngby
